

REMEMBRANCE DAY PRAYER FOR ADF MEMBERS AND VETERANS

Lord of the Universe:

At this moment of remembrance, we thank You for the courage and loyalty of all who gave so much for their country when the call came to go to war. We acknowledge the spirit of service and sacrifice shown by Australians during wartime and whenever our nation needed to stand up for justice, democracy and freedom.

We ask you to bless the members of the Australian Defence Force, especially mindful of those who are serving outside Australia. We recognise their patriotism and courage. Keep them from harm and danger, and may they return home in safety. We remember the deep and lasting contribution of our veterans and ask you to continue to guide and protect them and their families. Oh God who binds up the wounds of those who suffer, protect the victims of war and terrorism, those whose bodies have been injured and those suffering from post-traumatic stress. Give them healing of body, mind and soul.

May the swords of war and violence soon be turned into ploughshares of peace, when nation shall not lift up the sword against nation nor learn war any more.

Oseh Shalom Bimromav. May peace bring its blessings everywhere in the world, and let us say:
Amen

Lest We Forget
